

Road Safety Week

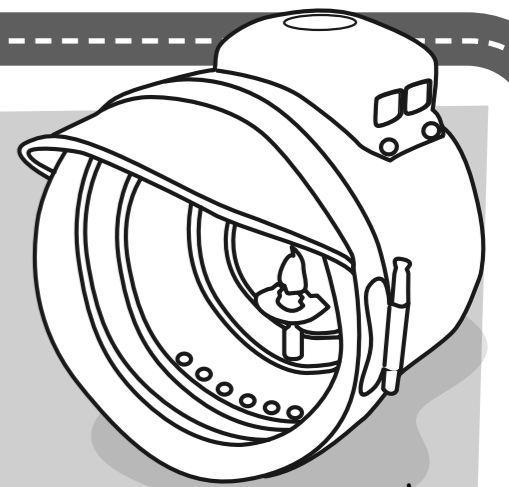

Tongue twisters

Try and say the following as fast as you can. Start slowly and speed up. Aim for five times in a row without laughing!

Shout out for safe streets in Road Safety Week

Quick and quirky

The first car headlights were powered by flame not electricity - mirrors focused the light and enabled it to shine forwards.

Why do you think we changed from flame to electricity?

The first cars did not have indicators - **TRUE OR FALSE?**
